What is the MoneyMattersNJ Request a Speaker program?

Through MoneyMattersNJ, the New Jersey Society of CPAs provides programs and resources to educate New Jersey residents about sound personal financial management. The Request a Speaker program, a part of this initiative, offers skilled CPAs to speak on a wide range of financial and business topics at no cost to you. Our speakers volunteer their time and expertise to ensure members of their community have the resources needed to become and remain financially fit.

"I recommend this program to as many people who will listen to me."
